Paula Fredriksen, renowned historian and author of *From Christ to Jesus*, begins this inquiry into the historic Jesus with a fact that may be the only undisputed thing we know about him: his crucifixion. Rome reserved this means of execution particularly for political insurrectionists, and the Roman charge posted at the head of the cross indicted Jesus for claiming to be King of the Jews. To

reconstruct the Jesus who provoked this punishment Fredriksen takes us into the religious worlds Jewish and Pagan of Mediterranean antiquity through the labyrinth of Galilean and Judean politics and on into the ancient narratives of Paul's letters the Gospels the Dead Sea Scrolls and Josephus histories the result is a profound contribution both to our understanding of the social and religious contexts within which Jesus of Nazareth moved and to our appreciation of the mission and message that ended in the proclamation of Jesus as Messiah

The primary goal of this book is to solve a two thousand year old puzzle if Jesus lived a totally Jewish life and became the founder of Christianity why aren't Jews and Christians in a respectful appreciative and embracing relationship this work begins to reduce two thousand years of misunderstanding stereotyping and prejudices that have existed between these two faiths in its place are historical facts about the childhood religious education and communities that nourished and influenced Jesus this work also encourages new approaches to biblical interpretations and thought the ultimate aim of the author is to have Jews and Christians realize that they are strongly connected by mutual faith beliefs and traditions Dr. Slomovitz has summarized this linkage with the phrase loving Jesus means loving Jews

In this eBook download of *Walking in the Dust of Rabbi Jesus* Lois Tverberg challenges readers to follow their Rabbi more closely by reexamining his words in the light of their Jewish context doing so will provide a richer deeper understanding of his ministry compelling us to live differently to become more Christ like we'll begin to understand why his first Jewish disciples abandoned everything to follow him to live out his commands our modern society with its individualism and materialism is very different than the tight knit family oriented setting Jesus lived and taught in what wisdom can we glean from his Eastern biblical attitude toward life how can knowing Jesus within this context shed light on his teachings for us today in *Walking in the Dust of Rabbi Jesus* we'll journey back in time to eavesdrop on the conversations that arose among the rabbis of Jesus day and consider how hearing Rabbi Jesus with the ears of a first century disciple can bring new meaning to our faith and we'll listen to Jewish thinkers through the ages discovering how ideas that germinated in Jesus time have borne fruit doing so will yield fresh practical insights for
